1. We have held the referent memorandum awaiting the outcome of the Deputies' consideration of overtime policy, including the future handling of the eight-hour provision in the current regulation. In these circumstances I believe it would be premature to make a precedent-setting exception to the present policy until the Deputies have acted.

2. Your memorandum is returned with the suggestion that you resubmit the request after action by the Deputies if such permits favorable consideration. We will advise you as soon as this action has been taken.

MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Request for Waiver Provisions
of

- 25X1
1. This memorandum contains a recommendation for your approval; such recommendation is contained in paragraph 4.
 2. When the Security Officers providing support to the Director of Central Intelligence were on the Office of Security Table of Organization, an exception to the Agency overtime policy was granted to permit payment of overtime to GS-11's and above for all hours worked in excess of 40 per week. In April 1968 when the overtime policy for the Office of Security was revised, this provision was deleted since it did not affect any personnel on the OS Table of Organization at that time. We have been informed, however, that an exception is still in effect for the Security Officers assigned to the DCI Security Staff who are now on the DCI Table of Organization.
 3. For some period of time the Technical Division, Office of Security, has been providing technical officers for a special DCI project. In performance of their duties they are required to work many hours in excess of the normal workweek. When they are not working on this project, they are performing duties within the Technical Division. Therefore, all after hours or weekend work represents overtime worked in excess of the normal workweek of 40 hours.
 4. In view of the fact that the security officers in grades GS-11 and above on the DCI Table of Organization receive overtime for all hours in excess of 40, it is recommended that an exception to

be granted to permit reimbursement of OS employees who render support on this special DCI project on a regular basis for all over-time work performed in excess of 40 per week, providing the maximum compensation allowable under U.S. Government regulations is not exceeded.

The recommendation contained in paragraph 4 is approved.
